- Fonna** Travel expenses. Pay based on receipts or stipend?
- Jonathan** Receipts preferred. Actuals instead of stipend.
- Tina** Helpful to have a sense of who will be reimbursed for travel.
Agree with actuals but a cap is needed.
- Sam** Invitation says “if travel assistance is needed...” anyone keeping track?
- Jonathan** Budget is set. 75 attendees budgeted for compensation. However, if promised, should follow through.
Fear of maxing out budget. Should Civic Leaders be included?
Clarity is needed.
- Fonna** State a rule. Presenters funded if needed. Other tribal orgs? Budgeted for 75.
Can cover UC CSU-related travel. Tribal leaders as well if needed.
- Jonathan** Thought some expenses compensated for civic leaders.
- Tina** UC restrictions on who can be compensated.
- Abby** Will pull up the list with Bridget and follow up with those who have and have not rsvp'd.
